

PARKing BIRTHday!

- Deicke Richards -

To celebrate our **15th birthday** we are taking part in **PARKing Day** together with **Dig It Landscapes**. This global event aims to raise awareness of the importance of green spaces in the city. We will join forces with our neighbours & suppliers to transform our car park into a 'people' park for the day. Come and visit us & enjoy our temporary garden installation.

For more info on the Brisbane event:
www.brisbaneparkingday.com

Support the day - leave the car at home!
